

Plastic Planet- Guided Viewing Worksheet

Name: _____

1: Plastics are made out of what main product? _____

List the Use of Plastics in Your Life

Personal Hygiene	Safety	Play
Home	Clothing	Work
Babies	Food	Other

2: How are plastics useful? What would your life be like without plastic? List all of the plastic products that you used **today:**

3: What are some of the problems associated with using plastics?

4: With your team (using a large poster paper), make a “plastics tree”- concept map that organizes all of the uses of plastics. Take a picture and upload onto your website with answers to the above questions.

5: Reflect on the use of plastics and ultimately of crude oil in society today. What is your opinion- should we continue to keep using plastics or find an alternative? Discuss.
